Public speaking is challenging! Public Speech AI can help!

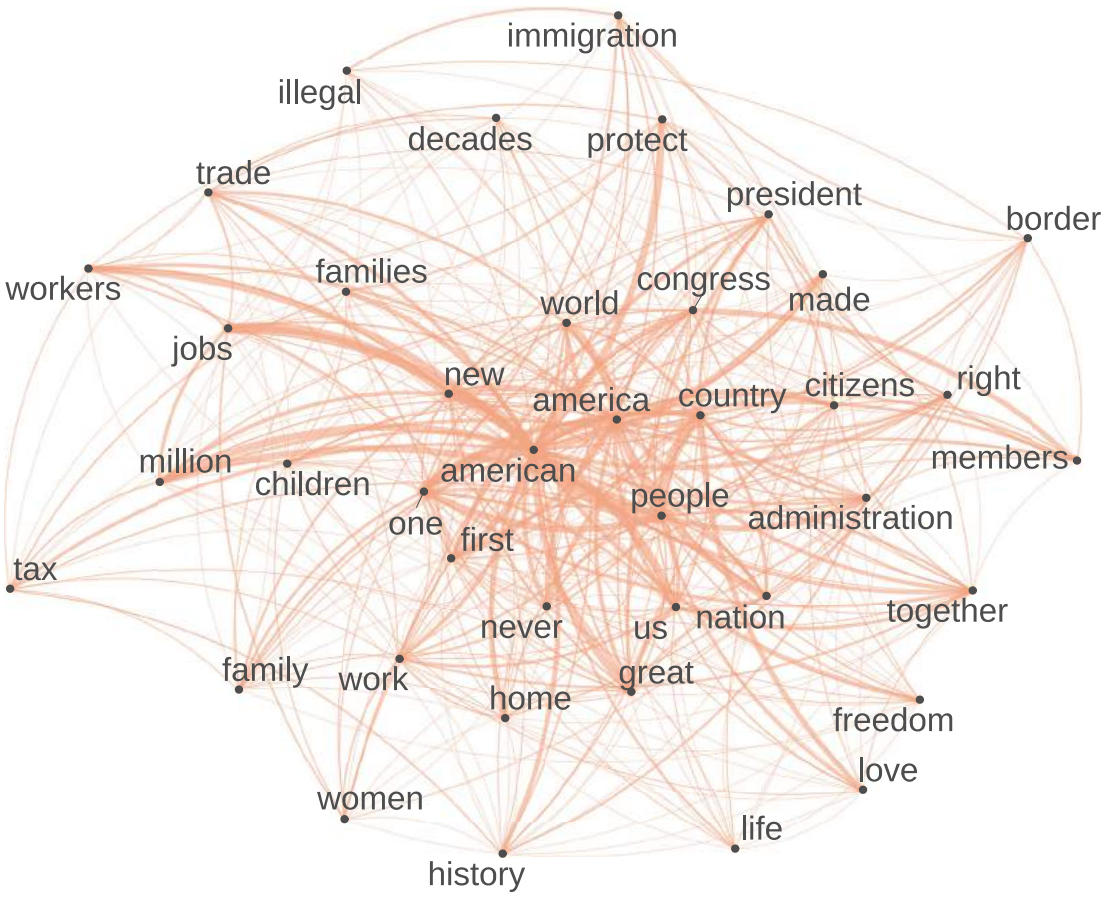
Preparation is the key to speechwriting success.

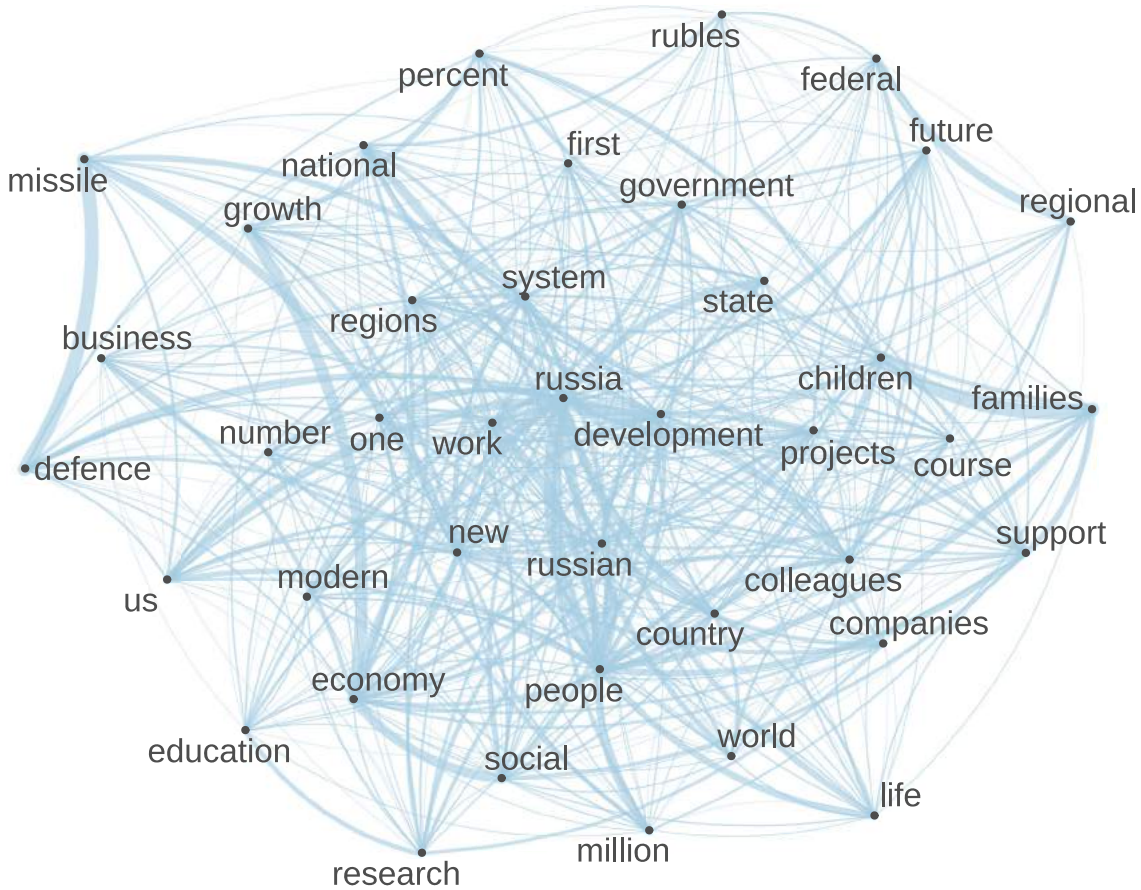
Public Speech AI: an indispensable tool in the speechwriting toolkit.

Leveraging unstructured textual speech data to inform speech writers and public speakers about:

1. Thematic clarity
2. Persuasiveness
3. Audience
4. Alliteration
5. Sentence variation
6. Word usage

Thematic Clarity in Donald Trump's State of the Union Addresses





Thematic Clarity in Vladimir Putin's Addresses to the Federal Assembly
